We meet every third Thursday from

7.30pm

At

The Crown Inn, Pulborough Road

Cootham, Storrington RH20 4JN

On the A283 west of Storrington

THE
WEST SUSSEX
BRANCH

of

THE
MORRIS MINOR OWNERS
CLUB

Welcome to the West Sussex Branch of The Morris Minor Owners Club

The branch was formed in 2007 following a demand by local Morris Minor enthusiasts who saw a need for an active group in the area. The branch is run by local Morris Minor enthusiasts but is affiliated to the Morris Minor Owners Club.

We run frequent reports about our branch activities in the MMOC magazine "Minor Matters". However, even if you are not a member of the national club you can still join us.

We enjoy organising our own activities and our locally organised Morris "Fun Runs" are extremely popular with pleasant drives around the Sussex countryside and plenty of interesting places to visit.

Within the club we have several experienced owners with technical expertise. Advice and help are always at hand whether it be from a complete rebuild to a simple service. There are often spare parts that members wish to dispose of, and we always get to hear about local cars for sale.

We support other local Morris and Classic Car events as well as local charity activities.

In addition, we like to provide a display at the Morris Minor Owners National Rally.

The branch meets regularly once a month at a local pub. Our aim is to provide a happy relaxed and friendly atmosphere for all members. Whatever your taste we are sure you will enjoy the club.

Proudly Supporting
Our Charity of the Year
